- B. Assessment practices substantially comply with applicable statutes and rules;
- C. Exemption and credit procedures substantially comply with applicable statutes and rules;
- D. Assessments are based on reasonably accurate data;
- E. Assessments of various types of properties are reasonably proportional to other types of properties within the municipality; and,
- F. For all revaluations including full revaluations, partial revaluations, cyclical revaluations and statistical updates conducted on or after April 1, 2006 assessment year by either an independent contractor or an in-house assessor, a report based on the most recent edition of the Uniform Standards of Professional Appraisal Practice (USPAP) Standard 6 shall be produced.

Sincerely,
